About Abon

Abon Global Co., Ltd (“Abon”) had been initiated in Brisbane, Australia since 1997. The creator and founder, Mr. Charles Lin, has had a long and successful career in the baby goods industry including 20 years as Asian Sales Director for Graco Children’s Products Inc, in addition 20 years developing products for other well-known major brands and international retailers. Charles’ in-depth knowledge in design, manufacturing, sales and marketing of juvenile products spans 40 years and is virtually un-paralleled.

“For All Your New Family Members...” reflects Charles’ desire to bring the best of the infant goods industry together in one brand reflecting safety, quality, innovation, functionality and value for consumers everywhere.

We have a highly trained and qualified research team with more than 20 years of experience in designing, developing and manufacturing the highest quality infant products. All materials and components of each product are carefully selected and strictly controlled in order to meet the most stringent quality standards. With well-engineered designs, our products are highly regarded by all our customers in the United States, Canada, the European Union, Australia, China, Korea, and Japan. To protect our designs, we also hold Global Patents across several countries on many products.

We obtained ISO 9001-2015 Quality Management System Certification and understand clearly the importance of offering safe and durable products for your child’s growth. We sincerely hope that our products, designed by our heart, can make our newest family members more comfortable, safer, and happier. Let’s grow with Abon Products!
